ITEM 3 – CUYAMACA VILLAGE - NATIONAL REGISTER of HISTORIC PLACES NOMINATION (NRHP):

Location: Cuyamaca Rancho State Park, Cuyamaca, CA 91916,
Community Planning Group: Cuyamaca
Supervisor District: 2-Dianne Jacob

Description: Cuyamaca Village archaeological site CA-SDI-9538, located in Cuyamaca Rancho State Park, is a Late Prehistoric Yuman village associated with the Kumeyaay and Kwaaymii. The site was occupied from antiquity into the historic period when permanent habitation was abandoned circa 1869. The village is approximately 55 acres in size. The extent of the site was discovered following the 2003 Cedar fires to be greater than previously recognized. The nomination was sent out by the Office of Historic Preservation (OHP) on February 27, 2007 for review and comment during a 60 day period that ends April 28, 2007. Although the State Park is not within its the County jurisdiction, the County Historic Site Board has been invited by the State Office of Historic Preservation to comment on the nomination and can recommend one of the following: support the nomination, not support the nomination, or not to take a position. This recommendation will be based on whether the site meets the technical criteria for eligibility for inclusion on the National Register of Historic Places.

Today's Action: Discuss National Register nomination of Cuyamaca Village Site CA-SDI-9538 and decide if a recommendation should be made to the Office of Historic Preservation and the State Historical Resources Commission. The Board can recommend to support the nomination, not support the nomination, or to not take a position. The Board can also authorize staff to prepare a letter to be sent to the Office of Historic Preservation and the State Historical Resources Commission containing their recommendation.

Staff Recommendation: Staff does not have a position as to what action the Board should recommend.
